

Felix Müller — Mathematician

☎ +49 152 2294 7311 • ✉ fmueller@uni-leipzig.de • 🌐 felix-mue.github.io/

PhD Student in Atmospheric Sciences

Leipzig Institute for Meteorology at Leipzig University

2020–today

Leipzig, Germany

Education

Master of Science Mathematics

Otto von Guericke University

2019

Magdeburg, Germany

Bachelor of Science Mathematics

Otto von Guericke University

2015

Magdeburg, Germany

Professional Experience

Education Worker

SoziaBell Freie Jugendhilfe e.V., Supervisor: Nadine Achtel

2019–2020

Magdeburg, Germany

Research assistant

Otto von Guericke University, Supervisor: Julia Lange

2017–2019

Magdeburg, Germany

Intern in Applied Mathematics

Basque center for applied mathematics, Supervisor: Dr. Elena Akhmatskaya

02–04/2018, 07–10/2017

Bilbao, Spain

Research assistant

Otto von Guericke University, Supervisor: Prof. Dr. Sebastian Sager

2015–2016

Magdeburg, Germany

Research Assistant

University of Auckland, Supervisor: Prof. Dr. Andy Philpott

03/2015

Auckland, New Zealand

Teaching Experience

Teaching Assistant

Leipzig University, Mathematical Foundations for Meteorologists

2021, 2024

Leipzig, Germany

Teaching Assistant

Otto von Guericke University, preparatory math course for new students

2016, 2015, 2014, 2013

Magdeburg, Germany

Publications

- F. Müller, T. Seelig, M. Tesche, Tracking individual clouds to assess the fidelity of high-resolution modeling, in *Geophysical Research Letters*, 2025, doi: 10.1029/2025GL115648
- F. Alexandri, F. Müller, G. Choudhury, P. Achtert, T. Seelig, M. Tesche, A cloud-by-cloud approach for studying Aerosol-Cloud Interaction in satellite observations, in *Atmospheric Measurement Techniques*, 2024, doi: 10.5194/amt-17-1739-2024
- T. Seelig, F. Müller, M. Tesche, Do Optically Denser Trade-Wind Cumuli Live Longer?, in *Geophysical Research Letters*, 2023, doi: 10.1029/2023GL103339

Conference Presentations

- poster at European Geosciences Union General Assembly, Vienna, Austria 2025, 2023
- talk and poster at International Conference on Clouds and Precipitation, Seogwipo, South Korea 2024
- talk at European Geosciences Union General Assembly, Vienna, Austria 2024, 2022
- poster at EUMETSAT Conference, Malmö, Sweden 2023
- poster at AMS Collective Madison Meeting, Madison, USA 2022
- poster at D-A-CH conference, Leipzig, Germany 2022

Workshops

Cloud Tracking Workshop <i>talk at scientific workshop about cloud tracking tools and applications</i>	04/2023 <i>Oxford, UK</i>
ESGI 150: 150th European Study Group with Industry <i>Scientific workshop for industrial problems</i>	10/2019 <i>Bilbao, Spain</i>
A revolution in applied Statistics (Applied Bayesian Inference) <i>Introductory course on Bayesian Statistics</i>	07/2017 <i>Magdeburg, Germany</i>

Community Involvement

Cineding <i>self-organised cinema, technical support</i>	2023–today <i>Leipzig, Germany</i>
Soli-Konzerte Magdeburg <i>Organization of charity concerts supporting local projects</i>	2016–2020 <i>Magdeburg, Germany</i>
Willkommensbündnis Neustadt and Borderless Solidarity <i>Project work with refugees</i>	2015–2021 <i>Magdeburg, Germany</i>

Additional Skills

Languages: German (native), English (fluent), Spanish (conversational)

Programming: R, C, C++, MATLAB, Julia

Tools: $\text{\LaTeX}$, TikZ, Stan, AMPL, JuMP, Libre Office and Microsoft Office
